A

Reasons For Allowance

In accordance with the decision of Board of Patent Appeals and Interferences mailed April 28, 2005, wherein the obviousness rejection of claims 16-31 under 35 U.S.C. 103(a) as being unpatentable over Fanger et al. (6,153,204) in view of Msika et al. (5,939,054), is reversed, claims 16-31 are therefore allowed. See MPEP §1214.06.

Note that the terminal disclaimers filed on November 7, 2003 and February 25, 2004, disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of the copending Application No. 09/640, 822 and US patent 6,592,883 have been reviewed and are accepted. The terminal disclaimers have been recorded, as pointed out in the Advisory Action March 9, 2004 before the appeal to the Board.

Accordingly, the application is deemed in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner S. A. Jiang whose telephone number is 571.272.0627. The examiner can normally be reached on 9 am -5 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sreeni Padmanabhan can be reached on 571.272.0629. The fax phone
